## Officer Scheduling Software

Scheduling 24/7 law enforcement and public safety staff is demanding. Making sure you have the right number of people scheduled by shift, position, location and skill can be time consuming and difficult, but not anymore.

**ScheduleAnywhere** is the powerful, yet affordable, online staff scheduling software from Atlas Business Solutions, the leader in employee scheduling software. For over 20 years, we've been serving public safety departments.

To date, **over 2,000 law enforcement departments** rely on our scheduling software daily. If you need a better way to schedule and communicate work schedules, it's time to make the move to ScheduleAnywhere.

### Used by

- **Police departments**
- **Sheriff's offices**
- **Highway patrols**
- **Military police**
- **Campus police**
- **Security agencies**
- **Jails & Prisons**
- **Correctional facilities**
- **911/Dispatch centers**

"Our police department has been using ScheduleAnywhere for three years. Our employees enjoy ScheduleAnywhere's online convenience and ease of use. We will be using it for years to come."

-- Major Jeff Thielking,  
Batesville Police Department

"Using ScheduleAnywhere has improved our ability to be more efficient and effective for our day-to-day operations and during times when we need information quickly."

-- Sgt. Thomas Lampe, **Iowa State Patrol**

"We're extremely happy with ScheduleAnywhere. We are now able to keep all of the agencies in the area updated on our schedule. Our employees love the new program because they can check schedules from home quickly and accurately."

-- Chief Steve Dutra, **North Pole Police Department**

"Our entire department was up and running in two hours. Now officers can manage schedules from any computer or handheld device."

--Lt. Todd King, **Springettsbury Township Police Department**
